PARIS

UK

Make sure the product is installed by a competent person.  
We advise the handling of all products >25kg by at least two people.  
It is recommended to keep all protective packaging in place on the edge as long as possible to prevent any damage.  
Wear safety shoes when lifting products and safety glasses when drilling.  
Comply with all local plumbing and building codes.

FR

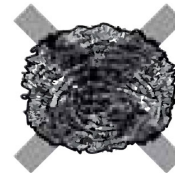

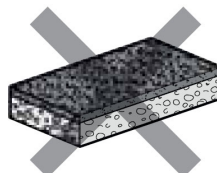

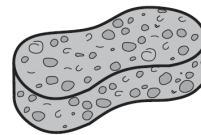

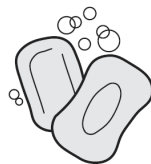

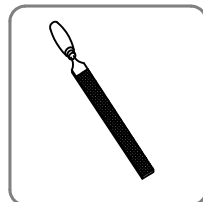

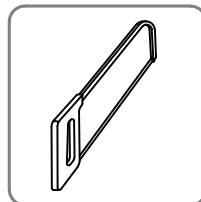

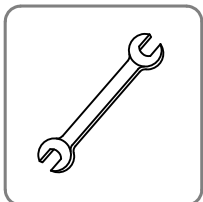

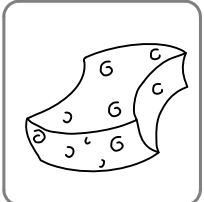

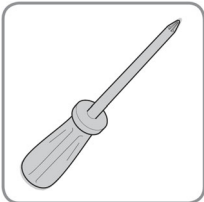

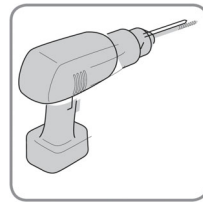

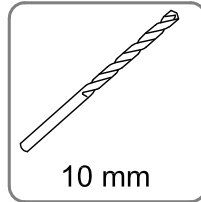

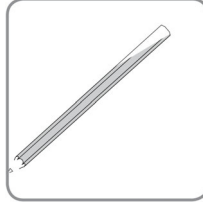

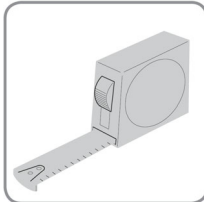

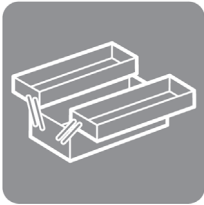

Assurez-vous que le produit est installé par une personne compétente.  
Nous conseillons la manutention de tous les produits >25kg par deux personnes au minimum.  
Il est recommandé de laisser tous les emballages de protection en place sur les arêtes pour prévenir tous dommages  
Porter des chaussures de sécurité lors de la manutention des produits et des lunettes de protection lors du perçage.  
Respecter tous les codes nationaux du bâtiment et de la plomberie.

ES

Asegúrese que el producto es instalado por personal preparado.  
Les aconsejamos que haya al menos dos personas para manejar productos > 25kg.  
Se recomienda mantener el embalaje de protección en bordes y esquinas al mayor tiempo posible para evitar daños al producto.  
Use zapatos de seguridad cuando manipule el producto y gafas protectoras al taladrar.  
Respete las normas locales de construcción y fontanería.

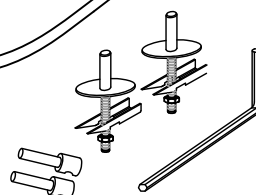

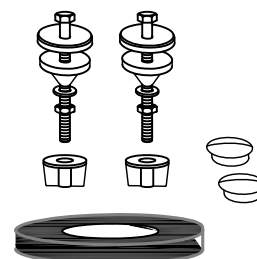

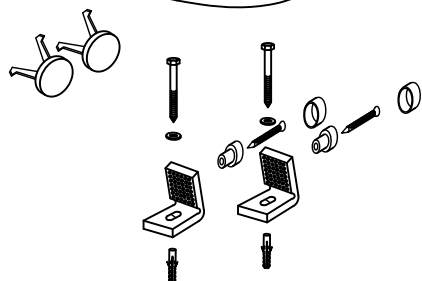

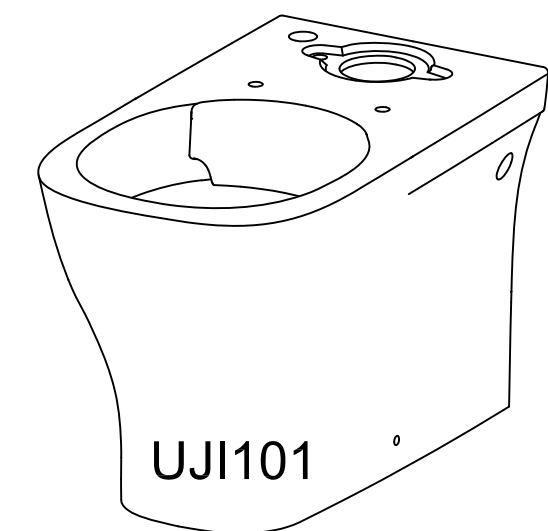

RU

Убедитесь, что продукт установлен компетентным лицом.  
Мы советуем обрабатывать все продукты весом > 25 кг как минимум двумя людьми.  
Рекомендуется хранить всю защитную упаковку на краю как можно дольше, чтобы предотвратить любой ущерб.  
Носите защитную обувь при подъеме продуктов и защитные очки при сверлении.  
Соблюдайте все местные правила сантехники и строительства.
